Terri Simeoni – Religious Ed Coordinator/Sacrament Prep

Coordinator of the School of Religious Education, which supports parents in their roles as the primary catechists, or faith educators, of their children. Our program combines weekly class sessions, At Home Lessons, social events and service projects, thus sharing our faith and love of God with our children (Kindergarten thru 8th Grade), and enhancing the spirit of community throughout our parish family. Terri is also Coordinator of the Sacramental Program – First Celebration of Reconciliation and Eucharist for the children of the Day School and Religious Education Program – and the Children's Liturgy of the Word, offered at the Saturday 5:00 pm Mass, from October through April.
