Scripture Reflections

Many of us like to draw boundaries, establishing membership and determining limits. But life is not often like that. Our lived realities are much more complex, and perhaps that's part of the reason we seek to create order! The mission of the seventy-two gives us a peek into the greater apostolic ministry of Jesus. He was content to send (the word "apostle" means "one sent") more than the twelve on mission. And the seventy-two are not specifically called disciples or apostles, though they are certainly sent. They go to the places Jesus intends to visit. We might ask ourselves who are the "seventy-two" today? And are we part of that large group sent to places where Jesus intends to visit? Just because we are not part of the Twelve does not mean we don't have a mission. These seventy-two were critical to the ministry of Jesus. They prepare the way for him. In looking to a New Testament example of our call in life, there is something worthy of emulation here.

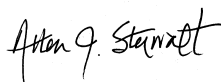

Our Berghaus Pipe Organ

I am pleased to announce that we are a couple of steps closer to completing the original vision of our beautiful pipe organ built in 2003 by Berghaus Pipe Organ, Bellwood, IL. The installation of the full plan for our pipe organ was cut short due to boiler problems in 2003. Some of the allocated funds for the organ had to be moved to fix the boiler, leaving the installation of the organ incomplete.

Thanks to the support of a parishioner's generous monetary gift, we now have the prepared *Rauschpfeife III* and *Clarion* stops completed and installed. My sincere gratitude and thanks to that parishioner, who wishes to remain anonymous.

Full completion of the installation plan would involve adding two final elements: *Chimes* and the *Trompette Royale*. This beautiful instrument will continue to enhance our worship for years to come. Thank you!

God's blessings,

Allen Sterwalt

Arch News Real Progress (Reflection by Cardinal Cupich)

A letter from Cardinal Cupich has been linked to Instagram and Facebook on our website.

The decisions made at the recent USCCB Conference have been summarized regarding implementing the requirements issued recently by Pope Francis on handling claims of sexual abuse of minors by priests, deacons, and bishops.

Why Buy Fair Trade Coffee??

The coffee sold at St. Francis Xavier is purchased from *Equal Exchange Fairly Traded*. There is a lot behind this coffee. "We work closely with our farmer partners, year after year, to better understand each other's needs. The result is a trusting relationship and delicious coffee."

Beth Ann Caspersen, Quality Control Manager

Fair Trade builds right relationships between buyers and sellers that are rooted in the principles of human dignity and solidarity.

Fair Trade:

- Respects human dignity
- Promotes the common good
- Advances economic justice
- Empowers disadvantaged people
- Connects us with the people who create the things we buy
- Cultivates global solidarity

The Catholic Relief Services Fair Trade Program creates opportunities for us to bring these core values of our faith to bear on the choices we make as consumers—choices that have the power to lift our brothers and sisters out of poverty.

Effort is made to see that these coffee farmers are given a fair wage!!!

FIND YOUR FORESOME

Special Circumstances For Receiving The Eucharist

The Catholic Church has historically recognized the intimate relationship of wheat hosts and wine as matter for the Eucharist. However, if you have Celiac Sprue Disease or a family member suffers from a gluten intolerance or if you are alcohol intolerant, receiving the Eucharist is life-involving in seriously challenging ways. The logistics or manner of accommodating lay persons with gluten or wine intolerance in a parish setting during the Liturgy of the Eucharist is left to the afflicted party and the pastor to decide the best way during Mass for the afflicted party to safely receive the Precious Body or the Precious Blood.

If you or a member of your family is affected by this circumstance, please contact our pastor, Fr. Bill Tkachuk, to discuss the particulars of your situation. Fr. Bill can be reached by calling the Rectory Office at 708-352-0168.

Please Take Note...

In December of 2000, parishioner Dan Bagley lost his battle to cancer. While undergoing chemotherapy, Dan would often sit in the sacristy where he could hear the mass on the PA system and be away from the crowd to avoid being around excessive exposure to infections. After Dan's death, his family and friends purchased a new chair for our sacristy for use by those whose chemo might otherwise keep them away. As a reminder to all, especially new parishioners, anyone undergoing chemotherapy is welcome to make use of the "The Dan Bagley Chair" while attending mass. Or, if you have some other medical need for which the chair may help, you are welcome to use it.

Also, be aware that the parish is equipped with special hearing devices for those who need hearing assistance. Those devices can be found in the priests' sacristy.

For those who may be experiencing low blood sugar due to diabetes or other health issues, orange juice is located in the small refrigerator in the priests' sacristy.

Anyone with a physical challenge is encouraged to sit in the east transept (Spring Avenue side) near the exit door. A Eucharistic minister will bring communion to you, rather than have you approach the altar.

Service Day Thank You!

Dear Fr. Bill,

Ten thousand thanks for your SFX Parish service day this spring! On that day, the vigil of Pentecost, a wonderful group of people—adults and young people, came to help de-weed and prepare our LaGrange Park Center courtyard for Spring! We had more than enough jobs and a variety of them to go around, and we all enjoyed one another and our working together. Mary Freeman is outstanding as a facilitator, and popped in a few times to get pictures and “keep us going”.

I continued working after they left, and came “as I was” to the 5:00 liturgy that evening where I really enjoyed the Pentecost celebration at which you presided with great spirit! I came exhausted and left energized! Amazing!

We weren't finished, so didn't Mary find a group of strong teens to come back on Monday and finish preparing the places where they then put down the 3 yds. of mulch donated by SFX.

The Congregation of St. Joseph, and all of us here at the Center are soooo Grateful for the Generous Work and Presence to us of your parishioners. I have just had an invitation from Jackie Dethorne to possibly have SFX scouts come during the summer to attend to the weeds which will no doubt be coming up with all our generous rain! We are feeling so Blessed to be members and neighbors of your wonderful parish, Bill. Thank you so much!

“They'll know we are Christians by our Love...” just started singing in my head and my heart! Thank you so much.

With gratitude and prayers,
Sr. Mary Southard CSJ

Finding Balance: The Art of Rock Balancing on Tuesday, July 16 from 9:00-11:30 am with Facilitator Carol Hohle. Experience the connection and harmony that comes from finding just the right way to balance one rock on another. From cairns to arches to near-point balance we'll play, arrange, and cultivate patience and sensitivity. Cost: \$25.

“13th” Movie screening and discussion on Saturday, July 20 from 1:00–4:00 pm. Just think, slavery would have been abolished in 1865 by the 13th Amendment (hence the film's title), but for one small clause that all but grandfathered slavery back in for the sake of crime and punishment. This powerful and infuriating documentary explores the history of racial inequality in the United States, focusing on the fact that the nation's prisons are disproportionately filled with African-Americans. Cost: Free will offering.

Thomas Berry: A Biography—a discussion with Mary Evelyn Tucker and John Grim on Wednesday, July 24 from 7:00–8:30 pm. Thomas Berry (1914–2009) was one of the 20th Century's most profound and forward-thinking “geologians”, who sought to replace the modern alienation from nature with a sense of intimacy and responsibility. Mary Evelyn Tucker and John Grim teach at Yale University, where they direct the Forum on Religion and Ecology. They knew Thomas Berry well, edited his books, and co-authored the first biography of this great man. Cost: \$20 (the book will be available at this program).

Life-Changers: The Gospel According to Hildegard and Julian of Norwich on Saturday, August 3 from 9:30 am-3:30 pm with Facilitator Mark Burrows. G. K. Chesterton once commented that the saint each age most needs is the one who contradicts it most. Hildegard and Julian of Norwich were such persons. Each discovered insights into the “good news” that have enduring power to reframe life. Cost: \$75 (includes lunch).

To register online and see a complete list of our new 2019 Programs, go to www.csjthewell.org or call 708-482-5048. The Well Spirituality Center, 1515 West Ogden Avenue in LaGrange Park.
