Prayer for Migrants

Loving Creator, full of love and mercy, I want to offer this prayer for my migrant siblings: Have mercy on them and protect them, as they suffer mistreatment and humiliation on their journeys, are labeled by many as dangerous, and marginalized for being foreigners. Make them respected and valued for their dignity. Touch, with Your goodness, the many that see them pass. Care for their families until they return to their homes, not with broken hearts, but with hopes fulfilled. Let it be so.
