

SAINT FRANCIS XAVIER PARISH

ANNUAL REPORT 2025

BELONG • BELIEVE • BE LOVE

OCTOBER 19, 2025

Pastor's Letter

Dear Parishioners of St Francis Xavier,

Grace and peace to you in Christ Jesus, our Lord.

Wednesday, October 15, quietly marked a moment of grace and gratitude for all of us - the 135th anniversary of the founding of our beloved parish, Saint Francis Xavier in La Grange. On that day in 1890, Archbishop Patrick Feehan of Chicago wrote these simple but momentous words to Father Hagan:

"Rev and dear Sir,
I now appoint you Pastor of La Grange to form a new congregation in that place. As winter will be soon approaching it will be well that you go there as soon as possible. I shall appoint immediately another Pastor for Maple Park."

With that brief letter, a seed of faith was planted here in La Grange. It has taken root in the lives, prayers and sacrifices of generations of parishioners who have called Saint Francis Xavier their spiritual home. We are blessed to be part of that living legacy!

Milestone anniversaries invite us to pause, remember, and give thanks - to look back with gratitude for the many blessings we have received as a parish family. The Lord has poured out countless graces upon this community through the Church's sacraments, our Elementary School and Religious Education program, our ministries, and our service to those in need. We also remember with humility that our journey has not been without challenges. Yet through every trial, God's faithfulness has sustained us, and the generosity of our parishioners has helped us meet each moment with courage and hope.

As we celebrate this anniversary, we also look ahead. The same Spirit who guided Archbishop Feehan and Father Hagan is still speaking to us today - calling us to listen, discern and respond to God's invitation for our time. What are the needs and dreams of our parish community - spiritual, educational, formational, and material? How is the Lord calling us to strengthen our mission of worship, learning, and service? What means and gifts has God already placed in our hands to make those dreams a reality? The answers begin by listening to the Spirit's stirring in our hearts.

At the heart of this listening is the virtue of generosity - a key expression of Christian stewardship. This annual report from the fiscal year ending June 30, 2025, summarizes generous acts of stewardship, abundantly displayed here. Generosity recognizes everything we have is a gift from God, meant to be shared in love. When we give generously of our time, our talents and our financial resources, we reflect the very heart of Christ, who "came not to be served but to serve."

Generosity begins with gratitude. The more we recognize how abundantly God has blessed us, the more naturally we are moved to share those blessings. It's in giving that we discover joy; it's in generosity that our faith finds expression.

Let us pray together that the Lord will attune our hearts to His will. May we continue to grow as a community where all *belong*, come to *believe* deeply, and live out the call to *be love*. May Saint Francis Xavier, our patron and missionary of the Gospel, intercede for us as we discern the path ahead. May his fiery faith and deep love for Christ inspire us to build up the Kingdom of God here in La Grange for generations to come.

With gratitude for your stewardship,
Reverend John Chrzan
Pastor

Finance Council Letter

Dear Fellow Parishioners,

In last year's financial report, we presented a balanced budget for the 2024-25 fiscal year, and we are happy to report that we were able to achieve this goal, finishing the year with an operating surplus for the first time since 2022.

This goal could not have been achieved without your tremendous generosity. In the budget we presented last year, we projected a 6% increase in the Sunday offertory, and thanks to you, we were able to exceed that ambitious target. Also contributing to our success was increased enrollment at the elementary school which, together with another strong year of school fundraising and the first draw from our educational endowment fund, allowed us to once again pay bonuses to our elementary school faculty and staff and reduce the school subsidy to 16% of the overall budget (compared to 18% in the 2023-24 fiscal year).

As a result of the foregoing and a significant increase in bequests and memorials, we were able to maintain our strong net cash position from the prior fiscal year-end. In addition, contributions to our building and capital funds allowed us to commence with a much-needed replacement of the church's audio system and the construction of a new STREAM lab at the elementary school that will enhance the education provided to our elementary school students for years to come.

Turning to the current fiscal year, our final budget again achieves the balance we strive to present to the Pastor each year. Key to achieving this balanced budget is a projected increase in the offertory of approximately 4%. We acknowledge that this is an ambitious target, particularly in light of last year's significant increase, so we once again request that parishioners who regularly contribute consider increasing the amount of their offertory contributions and ask those parishioners who do not regularly contribute to consider doing so. Various methods of giving can be found on the final page of this report. In particular, in light of the important role played by bequests and memorials in maintaining the Parish's strong financial position last year, we humbly ask you to consider planned giving opportunities.

Like last year, our ambitious budget was informed by the "strong tailwinds" at the Parish and elementary school heading into this fiscal year. The Parish has been blessed with the arrival of Father John and the energy, thoughtfulness and leadership he has shown in his short time here and our faith formation opportunities and ministries continue to expand and thrive. The elementary school's positive momentum (and enrollment) continues to grow during Principal Bajner's second year, a trend that we expect to continue due to the combined efforts of our faculty, staff and parents and the investments made to improve our facilities and faculty retention. The contributions of time, talent, and treasure of all parishioners continue to demonstrate how blessed we are to be members of St. Francis Xavier Parish.

As always, it is truly an honor and privilege to serve as stewards of the Parish's financial resources. We extend our deepest gratitude to all who have generously contributed their time, talents, and treasure. Your past contributions have been instrumental in our achievements, and we have no doubt that your continued generosity will allow our staff and volunteers to continue their wonderful work in service of the Parish's mission.

With gratitude,
Cathy Bier, Carolyn Broughton, Jennifer Driscoll,
Timothy Funke, Tom Kostal (Chair), Kevin Lane,
Meredith Ritchie, and John Schaff

Stewardship

Belong. Believe. Be Love. With the guidance of the Holy Spirit, our parish community embraces this identity statement in many ways, including through stewardship (time, talent, treasure).

Devoting Time in Prayer

One year ago, Keith Spence stepped into Maggie McMahon's office claiming that he "did not know how to pray." Maggie suggested he give Hallow a try. The next week Keith shared that he had been praying with the app every day – and he has continued to do so ever since!

Keith described the impact Hallow has had on his everyday life. "I'm not the same guy I was a year ago. Prayer has opened my eyes - I look at people differently." He explained how praying with Hallow on a daily basis has made him aware that "God is in me and in everyone," allowing Keith to love people whom he might have previously judged and to serve others out of the abundance of his heart, rather than just for external validation.

Using Hallow, Keith prays first thing every morning, while he is mowing the lawn, while driving, and before he goes to bed each night. He had never prayed the rosary before, but now he prays it with Mark Wahlberg or Jonathan Roumie each night. His fiancé, Angela Diaz, saw the transformation in Keith and began to join in this life of prayer too. Keith's family members, many of whom are not Catholic, attended the Easter Vigil this past year to see Keith and Angela baptized, confirmed and receive their first Eucharist. They too have also noticed the change in Keith.

"The devil is not knocking on my door anymore. I can forgive others and forgive myself. And I tell my sons – and my brother – just give it a try, it will help you," Keith shared. Lately Keith has explored the Saint Michael's challenge on Hallow, and anyone scrolling through the prayer activity on our parish page can see Keith's daily favorites popping up each morning: Lectio Divina (prayerful reflection on scripture), Daily Gospel, and Jeff Cavin's daily reflections.

With scripture, meditation, music, saints, kids' content, devotions, and more, Hallow is the #1 prayer app in the world. The 235 parishioners on our Saint Francis Xavier Parish page have prayed over 400,883 minutes on the app just in the past year. That's over 18 hours of prayer per day! Visit www.sfxlg.org for information on how to join our Hallow community. The prayer challenges we host are always free. The app includes plenty of other free content, and Saint Francis parishioners can enjoy the Hallow premium content free for 6 months.

This app can truly transform your life with greater peace and confidence through a closer relationship with Jesus. Just ask Keith!

Sharing Talent

When any organization plans for a leadership change, it comes with varying degrees of uncertainty and some trepidation. Given the systemic shortage of priests in Chicago, Saint Francis Xavier faced a challenge in filling the role of our new pastor upon Father Bill Tkachuk's retirement. Anticipating this challenge, Father Bill formed the pastoral transition team, consisting of 13 men and women with varying and essential talents to produce a report for the Archdiocese, summarizing who we are and our hopes for the next shepherd of Saint Francis Xavier Parish.

This team embraced its mission in many ways. Because interviews of potential pastors are no longer part of the process, the team desired to prepare a document sharing the heart of the Saint Francis Xavier community. They were dedicated to building a strong future for our parish, united in Christ. Elizabeth Cooley shared: "Because the world is divided, we need a place where we are united in our faith that Jesus is our Savior, and we are His Body. The team took to heart that while we might not look like a diverse parish, we are each different in

Stewardship

our needs. We had just gone through some discernment on our identity, summarized in our parish identity statement of *Belong, Believe, and Be Love*. While we used that as a basis, it was vital that we provided an opportunity for each parishioner to reflect and share what attributes they would like in our pastoral shepherd. So the team set up three listening sessions and sent out a survey to give everyone, of all ages, a chance to share. Maureen Windmoeller employed her training in facilitating 'Conversations in the Spirit' to ensure prayerful listening sessions. Guided by the Holy Spirit, it was a powerful experience as we listened to each other to discern our vision through the heartfelt input we received from so many parishioners."

When it came time to summarize the vision from months of discernment, Therese Kartholl's well-honed writing skills created a document that the Archdiocesan Placement Board and pastors said is now a model for the entire Archdiocese. Our new shepherd, Father John Chrzan, is exceedingly grateful for all the pastoral transition team's efforts to welcome him here.

Finally, the pastor transition team, along with the parish staff, Catholic Women's Club, Liturgy Board, combined choirs, and so many other volunteers, demonstrated our gratitude to Father Bill Tkachuk on June 28 at a retirement Mass and celebratory lunch and presentation, which he described as "one of the best days of his life!" God bless the amazing men and women who served on the pastor transition team for a fabulous job!

Giving Treasure

Our parish offertory increased a tremendous \$190,000 (6%), which balanced our budget last year! We budgeted for 6%, and knew it was aspirational but absolutely possible with the momentum of this Saint Francis Xavier community. Thank you for this incredible display of stewardship! As noted in our financial report, our offertory supports the formation of our children. In total, our Elementary School and School of Religious Education offer formation for over 1,100 children, who are little disciples of Christ in action.

Jesus said, "Let the little children come to Me, and do not forbid them; for of such is the kingdom of heaven." Our children are learning and demonstrating kindness and goodness at school and in our homes. Margaret Houston, preschool teacher at our elementary school, shared this: "Our theme for preschoolers is Caring for God's Creation, when we talk about and express our gratitude for God's gift of nature. A few years ago, we planted sunflower seeds in the spring, and our little ones took the seedlings home to plant in the ground and nurture with their family over the summer. In the fall, Thomas brought me a lovely sunflower bloom with a precious note. And every year since then, he has done the same with those sunflower seeds. This year, Thomas (now in second grade) had a "return to preschool day" and together, he and I helped our current preschoolers plant seeds as well. This is one of the many precious moments when these children demonstrate the kingdom of heaven on this wonderful Earth that God has gifted to us." Each month, the elementary school highlights one student act of "the Virtue of the Month" for each grade, 1st through 8th. May we all remember to pay attention to what our children can teach us!

With the call to ***Belong, Believe, Be Love***, we welcome the Holy Spirit on this journey as a community of faith, united in Christ.

In gratitude for your stewardship,
Jennifer Zeisloft

Giving Treasure—Frequently Asked Questions

Considering which method of giving is right for you? Check out the FAQ below.

What method of giving is most cost-effective for the parish?

- Online monthly donations from your bank checking or savings account.
- The processing fees for these are about 0.5%, as compared to credit card fees of 3.5%.

If I want to give using my credit card, can I cover the higher transaction fee?

- Yes – you can! This is relatively new to Give Central, our online giving processor.
- Log into your Give Central account and select “I would like to cover the processing fee” when you make or change your contribution.

I prefer using offertory envelopes – is that ok?

- Absolutely. Please continue to do so. About 30% of our Sunday offertory is given using envelopes!
- We have identified ways to reduce the cost of printing and mailing.

How important is my Christmas or Easter donation?

- Very important! These two special donations totaled 13% (\$254,128) of our funding last year.
- While all parishioners receive the envelopes with Father John’s Christmas and Easter reflections, you can set up online giving right now using the QR code above.

Are there any other methods to give to offertory?

- Yes. Donations of appreciated stock, IRA distributions, and donor advised funds are tax-efficient methods, which many donors prefer.
- Contact Jennifer Zeisloft, Director of Stewardship and Development, at 708-352-0168 or jzeisloft@sfxlq.org to learn more and if you have questions about these giving methods.

DOMESTIC VIOLENCE OUTREACH
AWARENESS - SERVICES - PREVENTION

October is Domestic Violence Awareness Month

Silence is Not An Option

Talk about domestic and dating violence (intimate partner violence).

- Raise awareness among other in our community
- Help to end shame and stigma that domestic violence survivors face
- Help families and friends learn how they can support someone who has experienced violence
- Advocate for education for our youth to build healthy relationships and prevent behaviors that perpetuate violence

To end domestic and dating violence, we all need to be part of the solution.

'Being abusive is a decision: it's a strategic behavior by your partner to create their desired power dynamic. Tactics of abuse (in any form) are aimed at dismantling equality in the relationship in order to make their partners feel less valuable and undeserving of respect.' (National Domestic Violence Hotline) www.dvrc-or.org/

Domestic Violence Follow-Up Meeting

Sept 24 - Nov 2: 40 Days for Life. Help save lives through the power of prayer. <http://www.40daysforlife.com/downersgrove>

GOSPEL OF LIFE PRAYER

O Mary, bright dawn of the new world, Mother of the living, to you do we entrust the cause of life: Look down, O Mother, upon the vast numbers of babies not allowed to be born, of the poor whose lives are made difficult, of men and women who are victims of brutal violence, of the elderly and the sick killed by indifference or out of misguided mercy. Grant that all who believe in your Son may proclaim the Gospel of life.

- St. John Paul II, *Evangelium vitae*

Our “Spooky Season” Hallow Prayer Challenge Begins October 19th! *Near Death Experiences*

Journey with those who’ve been to the after-life and back as they tell their stories of heaven, hell and what lies beyond. 8 million Americans have reported having a near-death experience, but stories of people who were clinically dead claiming to have seen Heaven can leave us skeptical. What if we could verify these

stories? Join us in a conversation with Father Robert Spitzer, S.J. as he helps us explore the scientific evidence for near-death experiences and introduces us to the stories of those who have lived them. Where does scientific exploration of life after death lead us? We’ll spend these seven days seeking the answer together.

Our Prayer Challenges are always free! Join via the Saint Francis Xavier parish page on Hallow: go to hallow.com/parish and enter zip code “60525” to find Saint Francis Xavier, La Grange. Parishioners also receive all premium content at 25% discount after a 6 month free trial. Email parishsupport@hallow.app for help.
